Notes:

- This is a completely new course for the new CC6 venue at Wilverley Plain. It is not the same route at the RR10 and does not enter the Wilverley enclosure.
- There is an initial 1 km wide, flat grass run prior to the path narrowing.
- The course consists of grass, gravel track, mud, single track, bog and water crossings. Spikes are not recommended.
- The course is configured as a single loop.
- The course is owned by the Forestry Commission and is open for public use.
- Please be considerate to other forest users and aware of horses.
- There are limited toilet facilities in the main car park.

- Tea and cake available afterwards!

Owing to the recent storms three large trees have fallen across part of the route. The Forestry Commission are currently clearing these trees in preparation for the event. If these are not cleared in time an alternative route will be used.
